

Got what it takes to teach?

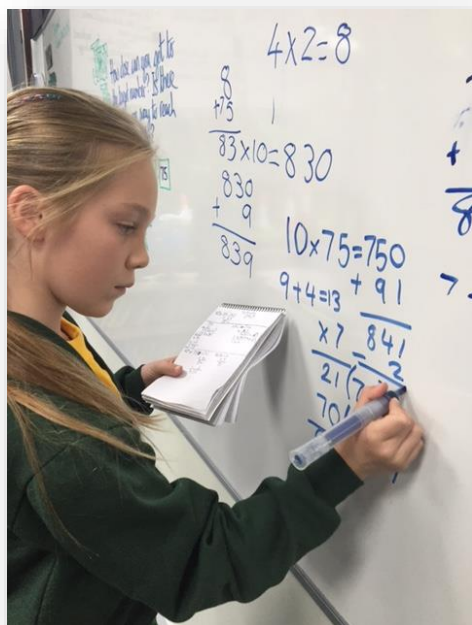

The Fylde Coast Teaching School SCITT, the only Outstanding provider on the Fylde Coast, is part of a growing number of educational institutions leading the way for more school-led teacher training.

We now have vacancies for September 2018 in Primary and Secondary Initial Teacher Training in Blackpool, Fylde and Wyre

We would love to hear from people who have a passion for teaching and want to inspire young people to fulfil their potential

Our well-established programme, rated as Outstanding in all areas by Ofsted, offers bespoke high quality school centred training for all of our students. This means you do not need to travel to a university, as all our training is delivered here on The Fylde Coast. We also work in partnership with over 20 primary and secondary schools in Blackpool, Fylde and Wyre.

We have a proven success record, with all trainees from 16/17 exceeding the minimum level of practice expected by teachers at the end of their training year and 100% are now working in our local schools.
